The Epic Fail of Arturo Zamora Jun 05 2020 A 2018 Pura Belpré Author Honor Book Save the restaurant. Save the town. Get the girl. Make Abuela proud. Can thirteen-year-old Arturo Zamora do it all or is he in for a BIG, EPIC FAIL? For Arturo, summertime in Miami means playing basketball until dark, sipping mango smoothies, and keeping cool under banyan trees. And maybe a few shifts as junior lunchtime dishwasher at Abuela’s restaurant. Maybe. But this summer also includes Carmen, a poetry enthusiast who moves into Arturo’s apartment complex and turns his stomach into a deep fryer. He almost doesn’t notice the smarmy land developer who rolls into town and threatens to change it. Arturo refuses to let his family and community go down without a fight, and as he schemes with Carmen, Arturo discovers the power of poetry and protest through untold family stories and the work of José Martí. The Poetry of Pablo Neruda Jun 29 2022 The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century--in any language" (Gabriel Garcia Marquez) "In his work a continent awakens to consciousness." So wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, the author of more than thirty-five books of poetry and one of Latin America's most revered writers, lionized during his lifetime as "the people's poet." This selection of Neruda's poetry, the most comprehensive single volume available in English, presents nearly six hundred poems, scores of them in new and sometimes multiple translations, and many accompanied by the Spanish original. In his introduction, Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English-language one, and a group of new translations by leading poets testifies to Neruda's enduring, vibrant legacy among English-speaking writers and readers today.

Ten Poems to Say Goodbye Jul 31 2022 In *Ten Poems to Say Goodbye*, the newest addition to the celebrated *Ten Poems* series, Roger Housden continues to highlight the magic of poetry, this time as it relates to personal loss. But while the selected poems in this volume may focus upon loss and grief, they also reflect solace, respite, and joy. A goodbye is an opportunity for kindness, for forgiveness, for intimacy, and ultimately for love and a deepening acceptance of life as it is rather than what it was. Goodbyes can be poignant, sorrowful, sometimes a relief, and—now and then—even an occasion for joy. They are always transitions that, when embraced, can be the door to a new life both for ourselves and for others. In this inspiring and consoling volume, Housden encourages readers to embrace poetry as a way of enabling us to better see and appreciate the beauty of the world around and within us.

ShallCross May 05 2020 "Through more than a dozen collections, C.D. Wright pushed the bounds of imagination as she explored desire, loss and physical sensation. Her posthumously published book, *ShallCross* features seven poem sequences that show her tremendous range in style and approach. As she considers, among other topics, some dark intuitions about human nature, she also nudges readers to question who is telling the story and where one’s thought can lead."—The Washington Post "Wright gets better with each book, expanding the reach of her art; it seems it could take in anything."—Publishers Weekly "Wright belongs to a school of exactly one."—New York Times Book Review "C.D. Wright is entirely her own poet, a true original."—The Gettysburg Review In a turbulent world, C.D. Wright evokes a rebellious and dissonant ethos with characteristic genre-bending and expanding long-form poems. Accessing journalistic writing alongside filmic narratives, Wright ranges across seven poetic sequences, including a collaborative suite responding to photographic documentation of murder sites in New Orleans. *ShallCross* shows plain as day that C.D. Wright is our most thrilling and innovative poet. From "Obscurity and Elegance": Whether or not the park was safe she was going in. A study concluded, for a park to be successful there had to be women. The man next to the monument must have broken away from her. Perhaps years before. That the bond had been carnal is obvious. He said he was just out clearing his head... C.D. Wright (1949-2016) taught at Brown University for decades and published over a dozen works of poetry and prose, including *One With Others*, which won the National Book Critics Circle Award and was nominated for a National Book Award; *One Big Self: An Investigation*; and *Rising Falling Hovering*. Among her many honors are the Griffin International Poetry Prize and a MacArthur Fellowship.

Love Poems Oct 02 2022 Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda’s love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner’s oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover’s body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda’s most passionate verses.

The Poetry of Pablo Neruda Aug 08 2020 The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century-in any language" (Gabriel García Márquez) In his work a continent awakens to consciousness," wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one of Latin America's most revered writers and political figures-a loyal member of the Communist party, a lifelong diplomat and onetime senator, a man lionized during his lifetime as "the people's poet." Born Neftali Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass-exemplified in books such as *Canto General*-that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this is the most comprehensive single-volume collection of this prolific poet's work in English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still-resounding presence in American letters.

Full Woman, Fleshly Apple, Hot Moon Sep 08 2020 Full woman, fleshly apple, hot moon, thick smell of seaweed, crushed mud and light, what obscure brilliance opens between your columns? What ancient night does a man touch with his senses? Loving is a journey with water and with stars, with smothered air and abrupt storms of flour: loving is a clash of lightning-bolts and two bodies defeated by a single drop of honey. The poetry of Pablo Neruda is beloved worldwide for its passion, humor, and exceptional accessibility. The nearly fifty poems selected for this collection and translated by Stephen Mitchell—widely praised for his original and definitive translations of spiritual writings and poetry—focus on Neruda's mature period, when the poet was in his fifties. A bilingual volume, with Neruda's original Spanish text facing Mitchell's English translation, it will bring Neruda's sensuous work to vibrant life for a whole new generation of readers.

Ten Poems to Change Your Life Again and Again Sep 01 2022 Every great poem invites us to step beyond what we know, what we think we can dream or dare. Great poetry is a catalyst for change: a change of mind, a change of heart, a change of life- and yes, over and over, again and again, with each new reading, and each new phase of our journey. That’s why poetry is dangerous. It gives voice to our unspoken dreams; it is a mirror to our own deepest joys, desires, and sorrows. It can tip us over into a new life, into a new way of seeing and being, that a moment ago we might even have had no words for. In this new volume of his *Ten Poems* series, Roger Housden takes ten great poems and in personal, intimate essays shows how they led him, and can also lead us, into a more deeply lived and examined life. Housden says, “Every one of the poems in this book has struck me a blow, a direct hit, each of them, into the heart of hearts. Every one of them, in its own way, has opened a door for me to go deeper into my own experience, my own longings, my own sorrows and joys, and into the silence that surrounds all of this, all of us, always.”

The Hurting Kind Nov 10 2020 An astonishing collection about interconnectedness—between the human and nonhuman, ancestors and ourselves—from National Book Critics Circle Award winner and National Book Award finalist Ada Limón. “I have always been too sensitive, a weeper / from a long line of weepers,” writes Limón. “I am the hurting kind.” What does it mean to be the hurting kind? To be sensitive not only to the world’s pain and joys, but to the meanings that bend in the scrim between the natural world and the human world? To divine the relationships between us all? To perceive ourselves in other beings—and to know that those beings are resolutely their own, that they “do not / care to be seen as symbols”? With Limón’s remarkable ability to trace thought, *The Hurting Kind* explores those questions—incorporating others’ stories and ways of knowing, making surprising turns, and always reaching a place of startling insight. These poems slip through the seasons, teeming with horses and kingfishers and the gleaming eyes of fish. And they honor parents, stepparents, and grandparents: the sacrifices made, the separate lives lived, the tendernesses extended to a hurting child; the abundance, in retrospect, of having two families. Along the way, we glimpse loss. There are flashes of the pandemic, ghosts whose presence manifests in unexpected memories and the mysterious behavior of pets left behind. But *The Hurting Kind* is filled, above all, with connection and the delight of being in the world. “Slippery and waddle thieving my tomatoes still / green in the morning’s shade,” writes Limón of a groundhog in her garden, “she is doing what she can to survive.”

The essential Neruda Nov 30 2019 Recipient of the Nobel Prize for Literature and the International Peace Prize "The call for a more accessible collection of Neruda's important poems is answered with City Lights' The Essential Neruda, a 200-page edition that offers 50 of Neruda's key poems."-- The Bloomsbury Review This bilingual collection of Neruda's most essential poems is indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. " ...The Essential Neruda will prove to be, for most readers, the best introduction to Neruda available in English. In fact, I can think of few other books that have given me so much delight so easily. At only 234 pages (bilingual), it somehow manages to convey the fullness of Neruda's poetic arc: Reading it is like reading the autobiography of a poetic sensibility (granted, the abridged version)."--The Austin Chronicle "This book is a must-have for any reader interested in a definitive sampling of the most essential poems by one whom many consider one of the best poets of the 20th century."--Mike Nobles, Tulsa World "What better way to celebrate the hundred years of Neruda's glorious residence on our earth than this selection of crucial works-- in both languages -- by one of the greatest poets of all time. A splendid way to begin a love affair with our Pablo or, having already succumbed to his infinite charms, revisit him passionately again and again and yet again."--Ariel Dorfman, author of Konfidenz and The Nanny and the Iceberg "If the notion had struck Pablo Neruda, I am quite sure that like Fernando Pessoa and Antonio Machado he would have given birth to what the former called heteronyms. Like Pessoa especially, Neruda can be several poets according to where he is and when and what his mood might be. It is quite fitting therefore that his work in this anthology be shared by various translators, for, ideally, a translator is but another heteronym speaking in a different tongue and at a different time. Neruda is well served here by these other voices of his."--Gregory Rabassa "The editors and translators know how to extract gold from a lifetime of prolific writing. If you want a handy Neruda companion and don't know where to begin, this is it."--The Bloomsbury Review

Vivas to Those Who Have Failed: Poems Oct 10 2020 Award-winning poet Martín Espada gives voice to the spirit of endurance in the face of loss. In this powerful new collection of poems, Martín Espada articulates the transcendent vision of another, possible world. He invokes the words of Whitman in "Vivas to Those Who Have Failed," a cycle of sonnets about the Paterson Silk Strike and the immigrant laborers who envisioned an eight-hour workday. At the heart of this volume is a series of ten poems about the death of the poet's father. "El Moriviví" uses the metaphor of a plant that grows in Puerto Rico to celebrate the many lives of Frank Espada, community organizer, civil rights activist, and documentary photographer, from a jailhouse in Mississippi to the streets of Brooklyn. The son lyrically imagines his father's return to a bay in Puerto Rico: "May the water glow blue as a hyacinth in your hands." Other poems confront collective grief in the wake of the killings at the Sandy Hook Elementary School and police violence against people of color: "Heal the Cracks in the Bell of the World" urges us to "melt the bullets into bells." Yet the poet also revels in the absurd, recalling his dubious career as a Shakespearean "actor," finding madness and tenderness in the crowd at Fenway Park. In exquisitely wrought images, Espada's poems show us the faces of Whitman's "numberless unknown heroes."

The Poetry of Pablo Neruda Apr 03 2020 A collection of poems by the Nobel Prize-winning author features translations, many of them specially commissioned, of almost six hundred works.

I Explain a Few Things Sep 20 2021 "Laughter is the language of the soul," Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, "the saddest") century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work, oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. I Explain a Few Things distills the poet's brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age.

Ten Poems to Open Your Heart Nov 03 2022 Ten Poems to Open Your Heart is a book devoted to love: to the intimacy of personal love and lovemaking, to a loving compassion for others, and to the love that embraces both this world and the next. This new volume from Roger Housden features a few of the same poets as his extraordinarily moving Ten Poems to Change Your Life, such as Mary Oliver and Pablo Neruda, along with contributions from Sharon Olds, Wislawa Szymborska, Czeslaw Milosz, Denise Levertov, and others. Any one of the ten poems and, indeed, any one of Housden's reflections on them, can open, gladden, or pierce your heart. Through the voices of these ten inspiring poets, and through illustrations from his own life, Housden expresses the tenderness, beauty, joys, and sorrows of love, the presence of which, more than anything else, gives human existence its meaning. As Housden says in his eloquent introduction, "Great poetry happens when the mind is looking the other way and words fall from the sky to shape a moment that would normally be untranslatable. . . . When the heart opens, we forget ourselves and the world pours in: this world, and also the invisible world of meaning that sustains everything that was and ever shall be." From the Hardcover edition.

Love Jan 05 2023 Poems from the Film Il Postino. The poems collected in this book are at the heart of the film Il Postino, a cinematic fantasy spun from an apocryphal incident in the life of the Chilean poet and Nobel laureate, Pablo Neruda. Together they show why many consider Neruda to be the finest love poet of the century. Few writers of any age have described the pleasures and torments of erotic love with such un-sentimental directness and sensual precision. Here, too, we find Neruda at his most accessible, the language of his odes and lyrics refined to the point at which it achieves, in critic Jean Franco's words, "the naturalness of song". This short selection draws on work from throughout his writing life, from the famous early collection Twenty Love Songs & a Song of Despair (1924) to the key works of his maturity, Residence on Earth (1935), Elemental Odes (1954) and the autobiographical Memorial de Isla Negra (1964). It offers an enticing glimpse of one of modern poetry's greatest masters.

Libro de Las Preguntas Jan 01 2020 Pablo Neruda is one of the world's most popular poets, and The Book of Questions is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely re-designed and features a new cover, new interior, and an introduction by translator. In The Book of Questions, Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain? When Neruda died in 1973, The Book of Questions was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work-and this unique book is a testament to everything that made Neruda an artist. "Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling [and] O'Daly's translations achieve a tone that is both meditative and spontaneous." -Publishers Weekly Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. He was the recipient of the Nobel Prize in Literature, the International Peace Prize, and served as Chile's ambassador to several countries, including Burma, France, and Argentina. He died in 1973. II. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Who hears the regrets of the thieving automobile? Is there anything in the world sadder than a train standing in the rain? XIV. And what did the rubies say standing before the juice of pomegranates? Why doesn't Thursday talk itself into coming after Friday? Who shouted with glee when the color blue was born? Why doe
