life in modern Morocco introduces a promising new literary voice. Thirty-four-year-old prostitute Jmiaa reflects on the bustling world around her with a brutal honesty, but also a quick wit that cuts through the drudgery. Like many of the women in her working-class Casablanca neighborhood, Jmiaa struggles to earn enough money to support herself and her family—often including the deadbeat husband who walked out on her and their young daughter. While she doesn't despair about her profession like her roommate, Halima, who reads the Quran between clients, she still has to maintain a delicate balance between her reality and the "respectable" one she paints for her own more conservative mother. This daily grind is interrupted by the arrival of an aspiring young director, Chadlia, whom Jmiaa takes to calling "Horse Mouth." Chadlia enlists Jmiaa's help on a film project, initially just to make sure the plot and dialogue are authentic. But when she's unable to find an actress who's right for the starring role, she turns again to Jmiaa, giving the latter an incredible opportunity for a better life. In her breakout debut novel, Meryem Alaoui creates a vibrant picture of the day-to-day

Core Conditioning for Horses Oct 10 2020  
Gentle ways to improve the horse's core fitness while relieving pain related to conditions such as kissing spine. Every equestrian wants to know: what is the difference between the horse that "dances" when you are on him, and the one that doesn't? According to Visconte Simon Coccozza, Trainer and Examiner for the La Fédération Française d'Equitation (FFE), it all comes down to the horse's posture. The horse's ability to use the powerful mechanisms already built into his body relies not upon the strength we can see on the outside but the strength on the inside. This invisible and complex arrangement of

internal "core" muscles control the horse's posture, suppleness, and agility. Their good condition is the key to the dance. Equine core muscles are very difficult to isolate with the traditional training techniques common to horse sports. However, by examining what we do with the human body when faced with a weak core, we can find new methods for conditioning these areas of the equine body. Cocozza has taken principles of the human practice of yoga and used them to develop novel ways of reaching deep within the horse's body and: Gently "unlock" areas that may be a little "rusty." Improve core fitness. And even relieve pain related to conditions such as kissing spine. In this highly illustrated book, he provides step-by-step instruction explaining easy mounted exercises that enhance the horse's posture, and boost his confidence in his body and movement, making him easier to ride, and ultimately, the dance partner you've always imagined.

Horse People May 17 2021 "Deeply I sat, fixed to the slap, slap, slap of her trot, and the counterpoint thud-plod, thud-plod of her heart, enchanted by a soft percussive I felt part of, floating above the syncopated rhythm like a melody." --Diane Ackerman,

*The Horse's Mouth Jan 05 2023*

*From the Horse's Mouth* Dec 12 2020 Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this third edition of the Oxford Dictionary of Idioms. The volume takes a fresh look at the idiomatic phrases and sayings that make English the rich and intriguing language that it is. This major new edition contains entries for over 6000 idioms, including 700 entirely new entries, based on Oxford's language monitoring and the ongoing third edition of the Oxford English Dictionary. These include a range of recently established idioms such as 'the elephant in the corner', 'go figure', 'like a rat up a drainpipe', 'sex on legs', 'step up to the plate', 'too posh to push', 'a walk in the park', 'win ugly'. This edition also features a greatly increased number of cross-

references, making it ideal for quick reference. Many entries include additional features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology that described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? Anyone interested in the colourful side of the English language will get hours of fun browsing from this fascinating and informative volume.

Perestroika in Paris Mar 27 2022 NATIONAL BESTSELLER • From the Pulitzer Prize-winning and best-selling author: a captivating, brilliantly imaginative story of three extraordinary animals—and a young boy—whose lives intersect in Paris in this "feel-good escape" (The New York Times). Paras, short for "Perestroika," is a spirited racehorse at a racetrack west of Paris. One afternoon at dusk, she finds the door of her stall open and—she's a curious filly—wanders all the way to the City of Light. She's dazzled and often mystified by the sights, sounds, and smells around her, but she isn't afraid. Soon she meets an elegant dog, a German shorthaired pointer named Frida, who knows how to get by without attracting the

attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the vegetable market. They keep company with two irrepressible ducks and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the ivy-walled house where the boy and his nearly-one-hundred-year-old great-grandmother live in seclusion. As the cold weather nears, the unlikeliest of friendships bloom. But how long can a runaway horse stay undiscovered in Paris? How long can a boy keep her hidden and all to himself? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity, ingenuity, and the desire of all creatures for true love and freedom.

Gray is Scotland's best known polymath. Born in 1934 in Glasgow, he graduated in design and mural art from the Glasgow School of Art in 1957. After decades of surviving by painting and writing TV and radio plays, his first novel, the loosely autobiographical, blackly fantastic *Lanark*, opened up new imaginative territory for such varied writers as Jonathan Coe, A.L. Kennedy, James Kelman, Janice Galloway and Irvine Welsh. It led Anthony Burgess to call him 'the most important Scottish writer since Sir Walter Scott'. His other published books include 1982 *Janine*, *Poor Things* (winner of the Whitbread Award), *The Book of Prefaces*, *The Ends of our Tethers* and *Old Men in Love*. In this book, with reproductions of his murals, portraits, landscapes and illustrations, Gray tells of his failures and successes which have led his pictures to be accepted by a new generation of visual artists.

*The Horses' Mouth* Oct 02 2022 The charming and larcenous Gulley Jimson has an insatiable genius for creation and a no less remarkable appetite for destruction. Is he a great artist? a has-been? or an exhausted, drunken ne'er-do-well? Originally published in 1944, *The Horse's Mouth* is acclaimed Irish author Joyce Cary's third instalment in his *First Trilogy* and sequel to *Herself Surprised* (1941) and *To Be A Pilgrim* (1942). It follows the adventures of Gulley Jimson, an artist who would exploit his friends and acquaintances to earn a quid. Similar to the first two books in the *First Trilogy*, events are told in the first-person narration and thus from the central character's point of view. Cary's novel also uses Gulley's unique perspective to comment on the social and political events of the time, making Gulley Jimson one of the best-known characters in 20th-century fiction.

*Mouth to Mouth* May 05 2020 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2022 \* An NPR and Time Best Book of the Year \* Longlisted for the 2022 Scotiabank Giller Prize (Canada) \* Finalist for CALIBA's 2022 Golden Poppy Awards A successful art dealer confesses the story of his meteoric rise in this "powerful, intoxicating, and shocking" (The New York Times) novel that's a "slow burn à la Patricia Highsmith" (Oprah Daily). "You'll struggle not to rip through in one sitting" (Vogue). In a first-class lounge at JFK airport, our narrator listens as Jeff Cook, a former classmate he only vaguely remembers, shares the uncanny story of his adult life—a life that changed course years before, the moment he resuscitated a drowning man. Jeff reveals that after that traumatic, galvanizing morning on the beach, he was compelled to learn more about the man whose life he had saved, convinced that their fates were now entwined. But are we

agents of our fate—or are we its pawns? Upon discovering that the man is renowned art dealer Francis Arsenault, Jeff begins to surreptitiously visit his Beverly Hills gallery. Although Francis does not seem to recognize him as the man who saved his life, he nevertheless casts his legendary eye on Jeff and sees something worthy. He takes the younger man under his wing, initiating him into his world, where knowledge, taste, and access are currency; a world where value is constantly shifting and calling into question what is real, and what matters. The paths of the two men come together and diverge in dizzying ways until the novel's staggering ending. Sly, suspenseful, and “gloriously addicting” (BuzzFeed), *Mouth to Mouth* masterfully blurs the line between opportunity and exploitation, self-respect and self-delusion, fact and fiction—exposing the myriad ways we deceive each other, and ourselves.

Her best-selling book *Language Signs and Calming Signals of Horses*, published by CRC Press in 2017, has been translated into several languages. Another pillar of Draaïisma's working life with horses revolves around equine mental stimulation and scentwork, and she has developed an extensive method to undertake

The Real Horse Oct 22 2021 A sustained address to the poet's daughter, The Real Horse takes its cues from the child's unapologetic disregard for things as they are, calling forth the adult world as accountable for its flaws and as an occasion for imagining otherwise. Offering a handbook on the possibilities of the verse line, this collection is precise in its figuring, searching in its intellect, and alert in its music. Here lyric energy levitates into constellations that hold their analytic composure, inviting readers into a shared practice of thinking and feeling that interrogates the confounding intersections of gender, race, class, and national status not as abstract concepts but as foundational intimacies. Matuk's interrogations of form cut a path through the tangle of a

daughter's position as a natural-born female citizen of the "First World" and of the poet's position as a once-undocumented immigrant of mixed ethnicity whose paternity is unavoidably implicated in patriarchy. Rejecting nostalgia for homelands, notions of embodied value (self-made or otherwise), and specious ideas of freedom, these luminously multifaceted poem sequences cast their lot with the lyric voice, trusting it to hold a space where we might follow the child's ongoing revolution against the patrimony of selfhood and citizenship.

From The Horses Mouth Jul 19 2021 there are few New Zealanders of whom it could be claimed they have been richly entertaining for virtually an entire lifetime. But Keith Haub is one. From the moment he embarked on a wisecracking career as a barber, through the

halcyon days when he not only enthralled the nation's turf fans with his masterly race calling but owned a speedster called McGinty (an icon in its own right) to being in hot demand as a brilliantly funny after-dinner speaker, Haubie has been a truly unique character. His often outrageous but always entertaining and amusing career is wonderfully portrayed in *From the Horse's Mouth*, written by leading New Zealand racing journalist Mike Dillon, who has long been a friend and confidante of Haub's. Together they have produced a magical book, offering a rare mix of sporting drama and achievement, hilarious adventures and misadventures, and a superb insight into the Sport of Kings. For Aucklander Mike Dillon, who delights readers of the New Zealand Herald daily with his colourful racing accounts, this is his first book, but given the rich material he has extracted from Haub it is unlikely to be his last.
