**Carting with Your Dog** Oct 28 2019 Don't put the dog before the cart...until he is trained! Many people love the idea of being able to hitch their dogs to a cart and have them pull the kids around the yard or in a parade. Or they have a breed of dog that has been bred to work as a draft dog and are interested in participating in competitions held by clubs around the country that test both dog and handler's skill pulling a cart. While this may seem simple, training a dog to willingly and safely do the work to pull a cart actually involves a lot of learning and effort on the part of both the dog and the handler. In this new book, author Laura Waldbaum will teach you what you and your dog need to know to help develop a "happy draft dog."

Chainsaw Operator's Manual Jan 30 2020 The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you

understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Troubleshooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.
