Helping the Suicidal Person Sep 27 2019 Helping the Suicidal Person provides a highly practical toolbox for mental health professionals. The book first covers the need for professionals to examine their own personal experiences and fears around suicide, moves into essential areas of risk assessment, safety planning, and treatment planning, and then provides a rich assortment of tips for reducing the person's suicidal danger and rebuilding the wish to live. The techniques described in the book can be interspersed into any type of therapy, no matter what the professional's theoretical orientation is and no matter whether it's the client's first, tenth, or one-hundredth session. Clinicians don't need to read this book in any particular order, or even read all of it. Open the book to any page, and find a useful tip or technique that can be applied immediately.

You & Your Range Rover Aug 19 2021 From up-market Land Rover to art exhibit in the Louvre, from storming off-roader to luxury executive transport, the Range Rover has done it all. The Range Rover inspired a new breed of "leisure" vehicles, seeking to emulate its mix of on-road comfort and off-road prowess. The original Series 1 Range Rover remained in production for 26 years, until it was replaced by the up-market Series 2. The Series 3, launched in 2002, moves the Range Rover emphatically into the luxury car market. This all color book - part of the "You & Your" series - should fascinate all Range Rover owners and enthusiasts. This book covers how the Range Rover came about, the development story, evolution and model changes; how Land Rover made the Range Rover a true marketing success; the story behind the Series 2 Range Rover and the move up-market; the development of the Series 3, taking the Range Rover firmly into the luxury car market; how to go off-roading safely, and where to do it legally; buying a Range Rover, inspection advice, ownership, maintenance and modifications; specifications for all models, production figures, specialists and clubs.
