House on Fire (Valancourt 20th Century Classics) Jul 06 2020 It starts out innocently enough, when reporters Tony Dumont and Robin Shepherd are sent to interview teenager Mark Elias, a scientific genius, about a scholarship he has won. But it is quickly clear that there is something very strange about the Elias family. Mark and his sister Shirley spend long hours behind closed doors conducting weird and inscrutable experiments involving electricity and a tape recorder. And then there is old Mrs. Elias, the children's grandmother, who died recently and whom the family seems terrified to discuss. The two journalists believe there may be a more serious news story than the one they were sent to cover, but they have no idea how serious--until people begin to die...

Do You Remember House? May 28 2022 Tells the full story of house music in Chicago, from its emergence to its queer remediation to its memorialization from the late '70s to the present.

Urodivoi Jul 30 2022 Learn to take risks for Christ and his Gospel. Urodivoi is a Russian word meaning "holy foolishness." In this book Catherine Doherty expresses her calling to this aspect of Russian spirituality, and calls us to become fools for Christ. "Anything and everything we do must be approached with the foolishness of God, with an identification with Christ. Can you imagine anything more foolish than hanging on a cross? We are invited to open the doors of our hearts to the Lord of Love, to the foolishness of the Cross, and to become a fool for the sake of Christ, even as he became a fool for our sake. For God's foolishness is wiser than human wisdom."

The Haunting of Hill House (Horror Classic) Aug 31 2022 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Hill House is an 80 year-old mansion built by long-deceased Hugh Crain. The story concerns four main characters: Dr. John Montague, an investigator of the supernatural; Eleanor Vance, a shy young woman who resents having lived as a recluse caring for her demanding invalid mother; Theodora, a flamboyant, bohemian, possibly lesbian artist; and Luke Sanderson, the young heir to Hill House, who is also the host to the others. Dr. Montague hopes to find scientific evidence of the existence of the supernatural. He rents Hill House for a summer and invites as his guests several people whom he has chosen because of their past experience with paranormal events. Of these, only Eleanor and Theodora accept. All four of the inhabitants begin to experience strange events while in the house, including unseen noises and ghosts roaming the halls at night, strange writing on the walls and other unexplained events. Eleanor tends to experience phenomena to which the others are oblivious. At the same time, Eleanor may be losing touch with reality...A finalist for the National Book Award, *The Haunting of Hill House* is considered as one of the best literary ghost stories published during the 20th century, even by stalwarts like Stephen King. It has been made into two feature films, a TV series and a play. Jackson's novel relies on terror rather than horror to elicit emotion in the reader, utilizing complex relationships between the mysterious events in the house and the characters' psyches. A must read!

The House of the Spirits May 04 2020 We begin - at the turn of the century, in an unnamed South American country - in the childhood home of the woman who will be the mother and grandmother of the clan, Clara del Valle. A warm-hearted, hypersensitive girl, Clara has distinguished herself from an early age with her telepathic abilities - she can read fortunes, make objects move as if they had lives of their own, and predict the future. Following the mysterious death of her sister, the fabled Rosa the Beautiful, Clara has been mute for nine years, resisting all attempts to make her speak. When she breaks her silence, it is to announce that she will be married soon. Her husband-to-be is Esteban Trueba, a stern, willful man, given to fits of rage and haunted by a profound loneliness. At the age of thirty-five, he has returned to the capital from his country estate to visit his dying mother and to find a wife. (He was Rosa's fiancé, and her death has marked him as deeply as it has Clara.) This is the man Clara has foreseen - has summoned - to be her husband; Esteban, in turn, will conceive a passion for Clara that will last the rest of his long and rancorous life. We go with this couple as they move into the extravagant house he builds for her, a structure that everyone calls "the big house on the corner," which is soon populated with Clara's spiritualist friends, the artists she sponsors, the charity cases she takes an interest in, with Esteban's political cronies, and, above all, with the Trueba children: Blanca, a practical, self-effacing girl who will, to the fury of her father, form a lifelong liaison with the son of his foreman, and the twins, Jaime and Nicolás, the former a solitary, taciturn boy who becomes a doctor to the poor and unfortunate; the latter a playboy, a dabbler in Eastern religions and mystical disciplines and, in the third generation, the child Alba, Blanca's daughter (the family does not recognize the real father for years, so great is Esteban's anger), a child who is fondled and indulged and instructed by them all. For all their good fortune, their natural (and supernatural) talents, and their powerful attachments to one another, the inhabitants of "the big house on the corner" are not immune to the larger forces of the world. And, as the twentieth century beats on, as Esteban becomes more strident in his opposition to Communism, as Jaime becomes the friend and confidant of the Socialist leader known as the Candidate, as Alba falls in love with a student radical, the Truebas become actors - and victims - in a tragic series of events that gives *The House of the Spirits* a deeper resonance and meaning.

The House of Mirth Oct 21 2021 Selected by the Modern Library as one of the 100 best novels of all time In *The House of Mirth*, Edith Wharton depicts the glittering salons of Gilded Age New York with precision and wit, even as she movingly portrays the obstacles that impeded women's choices at the turn of the century. The beautiful, much-desired Lily Bart has been raised to be one of the perfect wives of the wealthy upper class, but her spark of character and independent drive prevents her from becoming one of the many women who will succeed in those circles. Though her desire for a comfortable life means that she cannot marry for love without money, her resistance to the rules of the social elite endangers her many marriage proposals. As Lily spirals down into debt and dishonor, her story takes on the resonance of classic tragedy. One of Wharton's most bracing and nuanced portraits of the life of women in a hostile, highly ordered world, *The House of Mirth* exposes the truths about American high society that its denizens most wished to deny. With an introduction by Pamela Knights.

Extraordinary Popular Delusions and the Madness of Crowds Mar 26 2022 First published in 1841, *Extraordinary Popular Delusions and the Madness of Crowds* is often cited as the best book ever written about market psychology. This Harriman House edition includes Charles Mackay's account of the three infamous financial manias - John Law's Mississippi Scheme, the South Sea Bubble, and Tulipomania. Between the three of them, these historic episodes confirm that greed and fear have always been the driving forces of financial markets, and, furthermore, that being sensible and clever is no defence against the mesmeric allure of a popular craze with the wind behind it. In

writing the history of the great financial manias, Charles Mackay proved himself a master chronicler of social as well as financial history. Blessed with a cast of characters that covered all the vices, gifted a passage of events which was inevitably heading for disaster, and with the benefit of hindsight, he produced a record that is at once a riveting thriller and absorbing historical document. A century and a half later, it is as vibrant and lurid as the day it was written. For modern-day investors, still reeling from the dotcom crash, the moral of the popular manias scarcely needs spelling out. When the next stock market bubble comes along, as it surely will, you are advised to recall the plight of some of the unfortunates on these pages, and avoid getting dragged under the wheels of the careering bandwagon yourself.

Folklore Studies of Traditional Chinese House-Building Jun 28 2022 This book provides extensive information on craftsmen-built houses in China. Though some inroads have been made in studying this folk custom, this work represents the first comprehensive and systematic monograph. The book examines the topic at the two main levels of "history" and "theory". Combining historical textual research, contemporary textual research, and field study, the book presents systematic information on the folk custom of craftsmen-built houses in China. At the level of theoretical research, it puts forward some original opinions on the major theoretical issues, such as the folk custom of religious belief, the boundary between superstition and religion, and the relationship between oral literature and ritual. The book provides a guide to help readers systematically understand the folk custom of craftsmen-built houses in China. Sharing valuable insights into Chinese architectural history, as well as religious studies, cultural anthropology, and folklore, it will appeal to researchers in the fields of folklore, cultural anthropology, and architecture and can also serve as a popular science book for understanding Chinese architectural culture.

A House and Its Head Dec 03 2022 A radical thinker, one of the rare modern heretics, said Mary McCarthy of Ivy Compton-Burnett, in whose austere, savage, and biting funny novels anything can happen and no one will ever escape. The long, endlessly surprising conversational duels at the center of Compton-Burnett's works are confrontations between the unspoken and the unspeakable, and in them the dynamics of power and desire are dramatized as nowhere else. New York Review Books is reissuing two of the finest novels of this singular modern genius—works that look forward to the blacky comic inventions of Muriel Spark as much as they do back to the drawing rooms of Jane Austen. A House and Its Head is Ivy Compton-Burnett's subversive look at the politics of family life, and perhaps the most unsparing of her novels. No sooner has Duncan Edgeworth's wife died than he takes a new, much younger bride whose willful ways provoke a series of transgressions that begins with adultery and ends, much to everyone's relief, in murder.

The House of Mirth Aug 19 2021 A black comedy of manners about vast wealth and a woman who can define herself only through the perceptions of others. But her quest comes to a scandalous end when she is accused of being the mistress of a wealthy man. Exiled from her familiar world of artificial conventions, Lily finds life impossible. The House of the Dead Nov 09 2020 'Here was the house of the living dead, a life like none other upon earth' In January 1850 Dostoyevsky was sent to a remote Siberian prison camp for his part in a political conspiracy. The four years he spent there, startlingly re-created in *The House of the Dead*, were the most agonizing of his life. In this fictionalized account he recounts his soul-destroying incarceration through the cool, detached tones of his narrator, Aleksandr Petrovich Goryanchikov: the daily battle for survival, the wooden plank beds, the cabbage soup swimming with cockroaches, his strange 'family' of boastful, ugly, cruel convicts. Yet *The House of the Dead* is far more than a work of documentary realism: it is also a powerful novel of redemption, describing one man's spiritual and moral death and the miracle of his gradual reawakening. This edition includes notes and an introduction discussing the circumstances of Dostoyevsky's imprisonment, the origins of the novel in his prison writings, and the character of Aleksandr Petrovich.

The House Among the Laurels (Fantasy and Horror Classics) Oct 09 2020 William Hope Hodgson spent his early life as a cabin boy, before becoming a prolific author. Although best-known nowadays for two novels – *The House on the Borderland* (1908) and *The Night Land* (1912) – his short fiction was also extremely popular in its day. Within is 'The House Among The Laurels' which Hodgson wrote in 1910. A deserted mansion in Ireland displays signs of haunting, including what appears to be blood dripping from the ceiling, and several men have been found dead in the house. Is it a prank or a haunting? Carnacki recruits a group of burly local men to investigate, along with several dogs, and they attempt to stay the night within the mansion.

Then she met Chink and discovered love and affection . . . and rape and murder! "In his five-year literary career, Donald Goines provided perhaps the most sustained, multifaceted, realistic fiction picture ever created by one author of the lives, choices, and frustrations of underworld ghetto blacks. Almost single-handedly, Goines established the conventions and the popular momentum for a new fictional genre, which could be called ghetto realism." —Greg Goode, University of Rochester

The Haunting of Hill House Feb 10 2021 The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own.
