The Life Of Christ Dec 08 2020 Most New Testament epistles deal with problems within the early church. Paul's epistle to the Corinthians examines several issues that stood in the way of their righteousness. Paul could have easily given up on these Christians; however, with a spirit of love, he walks them through each problem. To study the books of Matthew, Mark, Luke, and John is to grow closer to Jesus. Too many in this world do not see the real Jesus because they have not spent the time getting to know him through Bible study (see John 7:34). Jesus carried a commanding persona that demanded man's complete attention. Jesus was fearless in the face of intense opposition and expected all men to know and understand his words. The fourfold gospel accounts of the life of Christ expose many peoples' faulty expectations of Jesus then and today. Get to know Jesus and his expectations now before it's everlasting too late!

Satan's Secret Sep 04 2020 The author radically addresses conflicting denominational beliefs associated with established Christian doctrinal teachings including the immortality of the soul, hell-fire/eternal torment, miracles, God's Kingdom, prayer, the Trinity and the salvation and eventual resurrection of the entire human race. Then, through extensively detailed scriptural research he provides a thought provoking and inspirational conclusion attributing these differences to the true source of universal deception, Satan, the father of lies and beguilement. Other topics that reveal Satan's influence on Christian thought and moral character covers abortion, homosexuality, capital punishment, occultism and the heinous terrorist attacks perpetrated on a country known for its Christian values. These are covered at length, in detail and are explained in conjunction with the plan of God and it's revelation through an intense study of His Word. Being a devoted non-denominational Bible student with 30 years of experience and personal connections has its reward as these dilemmas are explained through the eyes of this movement's most knowledgeable leaders. The author enlightens the reader to "lost" unparalleled

dimensions in thinking, slicing through traditional parameters and exposing the "truth" which has been hidden from the majority of the followers of Christ for so many centuries. "It's time the world is reintroduced to the God of eternal love and not the God of wrath and punishment", says the author. "Come, let us reason together!"

Jealous Feb 28 2020 JEALOUS will cause you to come away from the Christian norm and allow God to position you in a place of victory over the world's darkest enemy. Do you ever wonder what is happening to our world when you see the latest breaking story? People seem so much more hostile, with no regard for others. Crimes against humanity are growing more vicious by the day. Spiritual darkness is growing bolder and bolder. We can no longer ignore it. Many Christians believe that learning about the dark roots of society will only fuel the devil's agenda. This book challenges that belief. Your eyes will open to an obscure dark power that is affecting people we knowMoses despised it as Hathor.Solomon lifted it up as Ashtoreth.Paul confronted it as Artemis.Josiah defiled it as Asherah.Jeremiah exposed it as the Queen of Heaven. Morphing into a multitude of desirable idols through time, the queen of heaven exists only to carry out the devil's sole desire - to destroy the human race. She is on our doorstep, affecting our world today. No other book contains a full exposition of the queen of heaven based on a solid biblical foundation. God's name, JEALOUS, was first proclaimed in the aftermath of Israel's blatant worship of the queen of heaven. Ever since then, people have worshiped the One True God right alongside the queen of heaven, often times without knowing it. JEALOUS will arm you with:being able to recognize the queen of heaven's commanding influence the entertainment industry, popular literature, long-respected world institutions, and even in major

religions. a clearer understanding of many difficult Scripture passages and most importantly - a passion to love others caught in the destructive lifestyles that the queen of heaven promotes Join Kelly as she shares personal stories that will entice you into an intimate desire to purify your own worship to the One True God. Freethinking Jesus Jun 25 2022 I don't want you to "believe in" anything. I just want you to get your facts straight. What you do with the facts... I am a freethinker. Maybe you are too. For 50 years of my life, I was not just a freethinker, I was an anti-Christian. I know every argument against Jesus Christ and the Bible. Perhaps you don't see yourself as an anti-Christian, but if you are a freethinker, you probably have several arguments against Christianity. Could one be that Christians are judgmental and narrow minded? Could another be that Christians are generally weak people who need religion? That they fell for a book that was written by ancient kings to control the masses? It is a long list, we won't go through it now, but you know the list. Eight years ago I turned my freethinking ways toward an honest investigation of the life of Jesus of Nazareth. I finally read that book I swore I would never read, the Bible. My life has never been the same. But, I don't want you to believe me. I don't want you to be persuaded to my opinion. Rather, I want to put a pebble in your shoe; I want to make you feel uncomfortable. I want to take you on a journey. I want you to join me on a tour of my old worldview, and have you see how thoroughly illogical it was. I suspect you will identify with my old views, and find yourself getting quite uncomfortable as I expose the illogic of disbelief. "Really?" you might say. "Are you suggesting I might be illogical? Christians are the ones who are illogical, believing in something they can't see!" I know. Believe me, I know this is not an easy topic to broach. I don't

want you to feel offended and turn your brain off, or worse, not read this book altogether. Don't run away. And please keep thinking clearly. I am a friend, not a foe. I am more like you than you imagine. In the interest in keeping the bad news up front, though, I have worse news for you. Not only was my worldview illogical, I wasn't aware of my illogic because I was so emotionally invested in my views. And, yes, it is likely you are there, too. "No!" you might respond.

"Christians are the ones who are emotionally attached!!! I am on the side of science!" Come, take a journey with me. This book will prove to you without a doubt just how illogical it is to cling to emotionally charged disbelief. I don't want you to believe me. I want you to get your facts straight, and then doubt your current conclusions. Not an easy task because you are certain you have thought it through. Perhaps you are a scientific freethinker. You have made a career from your left brain, and you are probably quite confident that your brain will never fail you in thinking through a problem. Your motto might be "I am smarter than the problem."

Alternatively, you are an artistic freethinker. Your right brain has never failed you in coming up with "out of the box" concepts. You've come to trust that when everyone else is thinking linearly, your brain seems to think multi-dimensionally and you find the right solution to win everyone over. How do I know you? I am just like you. I, too, am a freethinker. But, after 50 years of being a freethinking anti-Christian, God brought me to my knees. And when I look back, I wish somebody had handed me this book. It would have saved me years of...

Fuck Jesus Jun 13 2021 Fuck Jesus exposes the miserable words and works of Jesus Christ and clearly shows that Jesus is not good. Fuck Jesus uses the actual verses from the King James Bible (KJV) and clearly shows that Jesus sets a horrible example for all of humanity to follow. Fuck

Jesus is meant to be a tool for atheists to use in discussions, and a resource for liberal Christians to contemplate the person they think is their Savior.

The Day I Met Jesus Aug 04 2020 Two thousand years ago, Jesus Christ met face-to-face with people just like you. Broken, imperfect, sometimes fearful and without hope. **The Day I Met Jesus** is a beautifully crafted narrative that chronicles the remarkable encounters of five women in the Gospels who were desperate to find wholeness, security, and purpose. Like all of us, these women struggled with the regrets of their pasts, the stresses of their presents, and the worries of their tomorrows. Join Frank Viola and Mary DeMuth on a fascinating journey back in time as they retell the dramatic accounts of five women who met Jesus. Each narrative is told from each woman's unique perspective, yet tightly grounded in the Gospel accounts and faithful to first-century history. Elegantly written and profoundly stirring, this book blends creative narrative with uncommon insight, spiritual depth, and practical application. If you are someone who seeks a renewal of hope, faith, and love, **The Day I Met Jesus** will make your Bible come to life and usher you into a fresh encounter with your Lord.

Exposing Satan's Devices Mar 11 2021 **EXPOSING SATAN'S DEVICES** is a spiritual tool chest of the many devices Satan uses to keep people under his lies and deceptions which eventually destroys them. It's very broad and yet specific in its coverage of exposing Satan's devices. Some of the topics covered deal with things we all face in our day with the devil on the rampage. As long as Satan stays covered he is able to continue his evil works, but when the light of God's Word shines on his deeds, he can no longer use his deceptions. We certainly don't want to allow the devil to get an advantage over us by our ignorance of the devices he uses (2

Corinthians 2:11). This book is an expose of Satan and his methods and how to overcome him through spiritual warfare. As overcomers we have the victory!

Jesus and the Dead Sea Scrolls Sep 16 2021 A major new work on the Dead Sea Scrolls, the oldest sacred documents of Judaism, which reveals their surprising connections to early Christianity. “A luminous treatment of a fascinating subject! Highly recommended!”—Scott Hahn, author of *The Fourth Cup* From award-winning scholar John Bergsma comes an intriguing book that reveals new insights on the Essenes, a radical Jewish community predating Christianity, whose existence, beliefs, and practices are often overlooked in the annals of history. Bergsma reveals how this Jewish sect directly influenced the beliefs, sacraments, and practices of early Christianity and offers new information on how Christians lived their lives, worshipped, and eventually went on to influence the Roman Empire and Western civilization. Looking to Hebrew scripture and Jewish tradition, Bergsma helps to further explain how a simple Jewish peasant could go on to inspire a religion and a philosophy that still resonates 2,000 years later. In this enriching and exciting exploration, Bergsma demonstrates how the Dead Sea Scrolls—the world's greatest modern archaeological discovery—can shed light on the Church as a sacred society that offered hope, redemption, and salvation to its member. Ultimately, these mysterious writings are a time machine that can transport us back to the ancient world, deepen our appreciation of Scripture, and strengthen our understanding of the Christian faith. “An accessible introduction . . . This is a handy entry point for readers unfamiliar with Essenes or those interested in the Dead Sea Scrolls.”—Publishers Weekly

Saved to be Warriors Jul 03 2020 Radical Two-Kingdoms theology would have us believe that

God has created a divided world. It is a world bifurcated into two realms, one of “nature” and the other of “grace,” whereby the things common to believer and unbeliever are understood to occupy a distinct and autonomous realm, “nature,” while the things particular to believers are located in a separate, “higher,” “spiritual” realm, the realm of “grace.” Supposedly, the latter is to be kept unsoiled by contact with the natural realm, which then goes by the name of “the world.” The Christian as Christian is therefore only responsible for the realm of grace; but as human being, undistinguished from unbelievers, he is responsible to act in the realm of nature. By what criterion? Something that goes under the name of natural law. The crux of the issue is, the two realms have nothing in common, the better to preserve the spiritual realm from contamination from below. This may sound pious and spiritually pure, but it is in fact a recipe for human autonomy and nothing less than a betrayal of the Christian’s calling to pursue the kingdom of Christ in and through the work of everyday, “natural” life. For one day every knee shall bow and every tongue confess that Jesus Christ is King of Kings, Lord of Lords; and the glory and honor of the nations will be brought into His kingdom. This includes culture and politics, for there are no such Two Kingdoms. Radical Two-Kingdoms theology is therefore an invitation to a combination of escapism and humanistic political activism. It is a plague on the church which needs to be confronted at every turn. “Woe unto the preacher who does not sound the alarm when the Good News is attacked from within the church, when the Law is pitted against the Gospel, and when Christ's Crown Rights over all of life is disputed. Especially in this day and age when unity is elevated far above purity and when virtue signaling seems to be the order of the day, I am most grateful for this excellent contribution by Rev. Bret McAtee. This work robs the serious

reader of every excuse not to stand up against a false and dangerous doctrine – one that is by no means a minor issue, but an assault on the Gospel of Jesus Christ itself. I am most thankful that McAtee has answered the call and dealt with the assailants, not with cheap rhetoric, but by biblically interacting with their own words” – Rev. Sacha Walicord

Exposing the Fallacies of the Pre-Tribulation Rapture Apr 23 2022 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. - Is the seven year tribulation really a biblical term? - Is the church literally raptured in Revelation chapter 4? - Are there signs that precede the return of Christ? - Is the rapture really an invisible event? - Are Christians exempt from tribulation? - Where did the true roots of the pretribulation rapture come from? - What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

Forget Jesus Mar 23 2022 Forget Jesus (Also published as "F--- Jesus"), by Judas Peters, documents and outlines the failures of the Gospel of Jesus using direct quotations from the King James Bible, with additional context and commentary from the author. If you are an atheist, you will find that this book lays out the most reasonable arguments proving that Jesus Christ was an evil person with bad ideas and psychotic tendencies. If you are a Christian who is beginning to doubt your faith, you will find that this book will help reveal the true uninspiring Jesus as he truly is, using scripture your priests try to avoid on Sundays. The book itself is designed with an alphabetical index, chapter divisions, and bold morals on each page to help you access Jesus' evil doctrines quickly and efficiently when in a heated impromptu debate. Carry the book around with you so that you are uniquely armed to deal with family during the Christmas (or Easter)

holidays. Have a copy on hand for when Jehovah's Witnesses or Mormons come to your door. Give the book as a gift to your nieces and nephews on their Confirmations or Baptisms. At the very least, read the book and rest in the comfort that you are not worshiping the despicable and ignorant Jesus of Nazareth.

Jesus Unplugged Aug 23 2019 There is much emphasis in the church today 'by laity and clergy' on being respectable, nice and presentable. Yes where in scripture did Jesus say that we should make being well-dressed and well-behaved priorities? Is the church guilty of reducing Christianity to mere social etiquette? The Jesus of scripture rejected these priorities with word and deed. This book goes back to the original passages in the Gospels that reveal not a cautious, image-conscious Jesus, but a provocative, politically incorrect cage-rattler for whom appearance and reputation meant nothing. It examines the original Gospel passages that are regularly avoided or sanitized by pastors, teachers and writers exploring those times when Jesus said no and when he disturbed the peace. There are profound implications in understanding that the Jesus of the Bible is no passive pushover, but a vigorous truth warrior who slays falsehoods with a sharp, double-edged sword. *Jesus Unplugged* is provocative and accurate.

Knowing Jesus Through the Old Testament Oct 25 2019 We cannot know Jesus without knowing his story. And that story began long before Jesus was born in Bethlehem. The Gospels tell us clearly that Jesus himself, along with his earliest followers, understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament. Like them, we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other. Engaging with the Scriptures, Christopher J. H. Wright uncovers Jesus' self- understanding as Son of Man and Son of God, following the path and fulfilling the call that God had placed before Israel. Through this we discover that the deeper we go into understanding the Old Testament, the closer we come to the heart of Jesus. In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied. Each chapter is followed with questions and exercises, which can be used either in personal study or in group discussion.

The Sins of Scripture May 13 2021 An exploration of biblical passages that are used to justify discrimination, oppression, and violence against minorities, members of other faiths, and the environment seeks to reveal and recover the texts' ultimate depth and purpose.

Exposing the Darkness Jan 21 2022 Darryl Fitzwater and his family appeared to the outside world to be a good Christian family. But in truth, Darryl was not a good Christian. He was hard on his wife and children, expecting them to meet impossibly high standards and never showing love or encouragement. He believed himself to be better than the other Christians he knew and was critical and judgmental of everyone. And he had a dark secret. In 2007, on the day before Thanksgiving, his deep, dark secrets were finally exposed. Darryl's wife, RaeLynn, discovered him in the nude with their teenage daughter, Sierra. As it turned out, Darryl had been struggling with pornography for years, and his lust led him to live with a hidden heart of sin. When the truth was revealed, life as he knew it was completely destroyed. He turned himself in and spent time in jail and away from his family, and the most amazing thing happened—he learned what it means to have peace with God and to serve Him with all of his heart. Today, Darryl and his family have forgiven and reconciled, and this thought-provoking book chronicles Darryl's many discoveries as he dealt with his sin. He encourages readers to take a hard look at the hidden sin in their own lives and bring it to the light so they can begin to truly live a victorious and fruitful Christian life. All will be revealed in *Exposing the Darkness: And Lighting the Way to Life in Christ*.

Dethroning Jesus Jan 01 2023 New York Times best-selling author Darrell Bock teams with Daniel Wallace to help lay readers separate fact from fiction and help from hype in the recent best-selling Jesus books and television specials. There is a quest going on. It's the quest to reduce Jesus to a mythic legend or to nothing more than a mere man. Scholars such as Elaine Pagels and James Tabor are using such recent discoveries as the Gospel of Judas and the Gospel of Thomas to argue that the Christ of Christianity is a contrived figure and that a different Christ—one human

and not divine-is the "true" Christ. In his trademark easy-to-understand style Darrell Bock takes on these attempts to redefine Jesus in a convincing, winsome way that will help readers understand that the orthodox understanding of Christ and his divinity is as trustworthy and sure as it ever was. Joining Bock for the first time is fellow scholar Daniel Wallace.

The Real Kosher Jesus Aug 28 2022 Jesus-Yeshua. The most influential Jew who ever lived. The most controversial Jew who ever lived. He has been called a rabbi, a rebel, a reformer, a religious teacher, a reprobate sinner, a revolutionary, a redeemer. Some have claimed he was a magician, others the Messiah. Some say he was a deceiver; others say he was divine. Who is this Jesus-Yeshua, and why are we still talking about him two thousand years later? Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus, a "Kosher Jesus" that Jews can accept. By reclaiming Yeshua as a fellow Jew and rabbi, he has taken a very major and truly wonderful step in the right direction, but by re-creating Jesus, he has also robbed him of his uniqueness. The Real Kosher Jesus takes you on a journey to uncover the truth. It is a journey filled with amazing discoveries and delightful surprises, a journey that is sometimes painful but that ends with joy, a journey through which you will learn the real story of this man named Yeshua: the most famous Jew of all time, the Jewish nation's greatest prophet, the most illustrious rabbi ever, the light of the nations and Israel's hidden Messiah.

Unity of the Body of Christ May 25 2022 I believe every human being is born with an instinctive need to belong. We will seek out and, in many cases, change our behavior and/or our appearance to belong to a group or organization. This need to belong is God-given, and ultimately, we are designed by God to belong to His body, which is the body of Christ. This short book will

hopefully help bring some light to this need and the lies that try to tell us otherwise.

The Coming Apostasy Mar 30 2020 Are we on the verge of a great apostasy in the church? "For a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths." --2 Timothy 4:3-4 Jesus Christ is coming back. It is certainly a Christian's greatest hope during these difficult times. The Bible warns us that the last days will be tumultuous--wars and rumors of wars will spread (Matthew 24:6). In our age, the world seems to be spinning out of control, creating fear, confusion, and uncertainty. In addition to violence, pestilence, and epidemics, the Bible predicts a great "falling away" from God in the end times. Bible teachers call that "the great apostasy." Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching?

Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time. Are today's teachers allowing people to follow their own desires by telling them what they want to hear, as the Bible clearly predicts? Are major portions of the church ready to abandon sound and wholesome teaching? Together, Mark and Jeff explore alarming trends among today's church leaders and they are simply stunned by what they discover. The great apostasy is coming, but is it closer than we imagine? What does that mean for the future? Let Mark and Jeff be your steady guides to the difficult days ahead.

Exposing the Sinful Nature Oct 06 2020 The original title of this book was "The Tip Of The

Iceberg." The iceberg is a visual object good for illustration and comparing spiritual truths to natural similarities. Similarities such as one can only see the tip of an iceberg. Yet 90% of its mass is below (within) the surface. Likewise, we only visually see the outer results of our inner thoughts (positive or negative), not truly knowing what motivates us from within, below our fleshly surface. Within various chapters, with specific titles such as "Sinful Nature 101," "Tactics of the Sinful Nature," "The Inner Me," just to name a few, we will learn the modus operandi of this nature and its origin in its daily work in our lives.

JESUS' YEARS IN INDIA Dec 28 2019 JESUS CHRIST, the founder of the New Faith called Christianity, is well known on all continents and respected by the followers of various religions. He was born in Palestine and spent His childhood there until the age of 12. There is no explanation in the Bible about where He was and what He did between the ages of 12 and 29. The Roman Church was aware of it, but has deliberately kept it a secret. He appears unexpectedly before the common people in Palestine one day as a preacher telling them about truth, principles and the purpose of life on earth in a manner they had not heard before. India was

then the country of spirituality. Historical evidences say that Jesus arrived in India when He was fourteen years old. He visited and studied in the famous Hindu Temple of Jagannath in Puri, Orissa. Jesus also visited Benares and other Hindu holy places. He was compelled to leave Puri because He protested against the caste system and animal slaughter existing in the Hindu society. Later, He visited and studied in Buddhist monasteries in India, Nepal and Tibet. He became a master in Hindu scriptures and Yoga. He preached His New Faith to the common people and was famous in those countries. He was a wanderer. When He was 29 years old, He returned to Palestine to fulfill His mission. The Church had known about His life in India and His new doctrine containing many parables that are popular in Hinduism and Buddhism. But no mention was made of them in the Bible. Why? Historical evidences indicate that Jesus did not die on the cross and escaped to Kashmir, India, where also He preached His New Faith as a respected holy man. He grew old and died in Kashmir. This book contains detailed information about how Jesus was saved from the cross and escaped to Kashmir and where the tombs of Mother Mary and Jesus can be found. Historical evidences are given in this book, based on the works of erudite scholars like N. Notovitch, K. N. Ahamad, M. A. Faruqui and Prof. F. Hassnain.

Exposing the Identity Thief Jan 27 2020 This book is an intriguing discovery of the very essence of our being as a child of God. Look! We all want to be like Jesus, but the reality is we already are like Him, we're just not fully convinced. The Bible tells us, ..".as He is so are we..."

(1John 4:17), and that it's no longer we who live, but Christ who lives within us (see Galatians 2:20). Our outward transformation depends on our inward realization, not on our trying. Our identity in Christ is the cornerstone of everything in life. The greatest measure of contentment, peace and joy is realized as I become more and more convinced of my true identity. That's what this book is about...Discovering who I really am by knowing Him...FINDING MYSELF IN HIM. As a teenager, P.C. thought that playing rock 'n roll and partying was all there was to living a fulfilled life. His party, however, was unexpectedly interrupted by an encounter with Jesus Christ. This radically altered his whole perception of life and its purpose. From this new-found relationship with Jesus Christ he began to discover that you don't have to be someone special to be someone special. P.C. and his wife reside in Georgia, where he leads worship at his local church and teaches weekly from the Bible.

Who Killed Jesus? Jul 27 2022 The death of Jesus is one of the most hotly debated questions in Christianity today. In his massive and highly publicized *The Death of the Messiah*, Raymond Brown -- while clearly rejecting anti-Semitism -- never questions the essential historicity of the passion stories. Yet it is these stories, in which the Jews decide Jesus' execution, that have fueled centuries of Christian anti-Semitism. Now, in his most controversial book, John Dominic Crossan shows that this traditional understanding of the Gospels as historical fact is not only wrong but dangerous. Drawing on the best of biblical, anthropological, sociological and historical research, he demonstrates definitively that it was the Roman government that tried and executed Jesus as a social agitator. Crossan also candidly addresses such key theological questions as "Did Jesus die for our sins?" and "Is our faith in vain if there was no bodily

resurrection?" Ultimately, however, Crossan's radical reexamination shows that the belief that the Jews killed Jesus is an early Christian myth (directed against rival Jewish groups) that must be eradicated from authentic Christian faith.

The Jesus Papers Nov 30 2022 What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the crucifixion? In *Holy Blood, Holy Grail* Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown's novel *The Da Vinci Code*. Now, with two additional decades of research behind him, Baigent's *The Jesus Papers* presents explosive new evidence that challenges everything we know about the life and death of Jesus.

Jesus Classroom Feb 07 2021 Growing up during the World War II years, the author witnessed young men going off to war. Many never returned! At that time he didn't understand the

magnitude of that conflict, or why throughout history, "Man's Inhumanity to Man" was always prevalent. As a Navy helicopter gunship pilot during the Vietnam War, that questions plagued him even more. Later, after accepting Jesus Christ as his Lord and Savior, He came to understand that God's love for all His children, and His ultimate justice, was the only thing keeping Man from total rebellion and anarchy. At that time he also realized that Evolutionary thought and practice was a deadly virus that had "diseased" all of our major institutions; education, science, government, and politics. It was also a primary contributor in the deaths of over one hundred million of our brothers and sisters, all in recent, recorded time. This same Evolutionary virus has also led to the Spiritual death of millions more! These false Evolutionary doctrines have one purpose; to completely remove our Creator God from the minds and lives of Man! This narrative is an attempt to expose Evolution for what it is, a devastating and deadly lie! The author, and his wife Diane, are soon approaching their 57th year of marriage. They reside in Bonita, California.
