**Nursing Diagnosis Manual** Jan 25 2022 Here's the 5th Edition of the resource you'll turn to again and again to select the appropriate diagnosis and to plan, individualize, and document care for more than 850 diseases and disorders. A new, streamlined design makes reference easier than ever. Only in the Nursing Diagnosis Manual will you find for each diagnosis...defining characteristics presented subjectively and objectively - sample clinical applications to ensure you have selected the appropriate diagnoses - prioritized action/interventions with rationales - a documentation section, and much more!

**Quotations from Chairman Mao Tsetung** Jan 13 2021

**Geriatric Home-Based Medical Care** Jan 31 2020 This book is a practical reference for any clinician who has struggled to care for an older adult in a home setting. The volume is written by experts in the field who describe fundamental principles and clinical approaches of geriatric home-based care and their application to specific diseases and conditions, including delirium, incontinence, falls, and chronic pain and disability. The book also details house calls for special populations, from the developmentally disabled to those afflicted with neurologic or psychiatric diseases. The volume explores house calls within the context of the US healthcare system. *Geriatric Home-Based Medical Care: Principles and Practice* is a valuable resource for geriatricians, geriatric nurses, primary care physicians, social workers, public health officials, and all medical professions who need tools to provide timely, compassionate, and high-quality care for their older adult patients.

**Elders and Leaders** Sep 08 2020 Strong leadership in the church is exactly what God had in mind. However, very few people, Gene Getz believes, understand the biblical pattern for church leadership. He has written *Elders and Leaders* to unravel the mystery and alleviate the confusion surrounding this critical topic. In the first part of the book, Getz lays the historical and biblical groundwork for the position of elder. In the second part, he shares how he has applied or has seen these principles applied over the years. *Move with Balance* Mar 15 2021 "For elders, preventing falls means preventing disaster! For elders, staying mentally alert and sharp is paramount! Here's how -- and how to bring confidence and joy into the aging years. This brightly illustrated book, which links to 60 on-line demonstration videos, is loaded with dozens of movements (not exercises) that anyone can do, even the frailest elder. The payoff: increased coordination, sharper cognitive skills, better vision, and enhanced self-confidence"--Publisher's website.

**California Evidence 2016 Courtroom Manual** May 05 2020 This convenient softcover manual is designed specifically for courtroom use. It offers attorneys and judges alike many trial-tested features that not only provide fast, accurate answers to evidentiary questions but also guide the user to the underlying authorities and secondary sources for further research. Written by Eileen A. Scallen and Glen Weissenberger, two of the nation's most respected evidence scholars, *California Evidence Courtroom Manual* incorporates complete coverage of the California Evidence Code and California evidence case law. Features Include: Complete text of the California Evidence Code Summaries of the current status of California law on each evidentiary issue Recent significant cases Quick California Evidence Update — a summary of Evidence Code amendments and significant California case law for easy reference Authoritative commentary and pointers for applying the law of evidence in actual practice Analyses of current trends and new developments Comprehensive chart comparing the California Evidence Code to the Federal Rules of Evidence

*The Ministers' Handbook* Nov 22 2021 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely

copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Dangerous Calling** Sep 20 2021 After traveling the globe and speaking to thousands of churches worldwide, Paul David Tripp has discovered a serious problem within pastoral culture. He is not only concerned about the spiritual life of the pastor, but also with the very community of people that trains him, calls him, relates to him, and restores him if necessary. *Dangerous Calling* reveals the truth that the culture surrounding our pastors is spiritually unhealthy—an environment that actively undermines the wellbeing and efficacy of our church leaders and thus the entire church body. Here is a book that both diagnoses and offers cures for issues that impact every member and church leader, and gives solid strategies for fighting the all-important war that rages in our churches today.

**Called to Serve** May 17 2021

**Rising from the Ashes of Jehovah's Witnesses** Oct 10 2020 Isis Allthings felt numb as she gripped the arms of her airline seat. She was catapulting herself and her four-year-old daughter into the unknown, away from her religion, five-year marriage, and the country she had settled in, Bavaria. At age thirty-two, Isis was on a courageous journey to begin a new life in her native country, England, where she rebelled against every belief and lie she had been taught since childhood. In a compelling true story, Isis leads others into her past as she analyses the vulnerability that led to her mother's recruitment into the Jehovah's Witnesses. After describing her own absorption into this secretive organization at the age of ten and subsequent life as a full-time minister, she divulges how personal sacrifices eventually led to her hard-won freedom as a free spirit.

**Ordinary People, Extraordinary Power** Jul 19 2021 How did the early church grow so quickly? How can we replicate that success today? The early church gives us the perfect example of how a small group of committed Christians can affect their communities and change the world. The apostles brought a change to the way the people of God lived. Wherever they went, what they believed transformed the culture. In *Ordinary People, Extraordinary Power*, John Eckhardt helps you understand the purpose and function of today's spiritual apostles. Using examples from Jesus and the early church, Eckhardt shows you God's strategy for the apostolic and the biblical foundation for its use and pattern. You will discover... The characteristics of the apostle The proper role and function of the apostolic The ways God uses this gift in the world today Apostles are pioneers. They preach and teach the culture of the kingdom of God—a kingdom of love, humility, power, authority, and service. Through training, teaching, discipleship, and relationship, God begins to empower individuals by the Holy Spirit in preparation for greater service. Our world needs people willing to break free from religion and tradition and be activated to heal, deliver, prophesy, preach, and demonstrate God's kingdom. It is time to put the apostolic back in the church.

**Sticky Teams** Jun 17 2021 Serving as a church leader can be a tough assignment. Whatever your role, odds are you've known your share of the frustration, conflict, and disillusionment that comes with silly turf battles, conflicting vision, and marathon meetings. No doubt, you've asked yourself, "How did it get this way?" With practical and accessible wisdom, Larry Osborne explains how it got this way. He exposes the hidden roadblocks, structures, and goofy thinking that sabotage even the best intentioned teams. Then with time-tested and proven strategies he shows what it takes to get (and keep) a board, staff, and congregation on the same page. Whatever your situation; from start-up phase, to mid-sized, to megachurch, Osborne has been there. As the pastor of North Coast Church he's walked his board, staff, and congregation through the process. Now with warm encouragement and penetrating insights he shares his secrets to building and maintaining a healthy and unified ministry team that sticks together for the long haul.

**Adventist Hot Potatoes** Oct 02 2022 Are celebration churches of the devil?; Is the church lowering its standards?; Do Adventists believe in eternal security?; Will God kill sinners or simply let them reap death as the natural result of sin?; Is it OK to eat out on the Sabbath?; Who's right, the liberals or the legalists?;

Will cheese keep us out of heaven?; What should be done about those who "terrorize" people out of the church?; Are we God's final remnant, or are we Laodicea? Perhaps both?; And, what about Ellen White? - Legalists Versus Liberals (Our Challenge in the Nineties); Dare We Celebrate? (Celebration Worship); Salvation on Standby (Assurance of Salvation); Standards That Ring True (Adornment and Amusements); The Pantry Patrol (Diet and Dress Reform); Sister Stern (counterfeit Holiness); Confronting Khomeini Christians (Church Discipline for Terrorists); Day of Wrest and Sadness? (Keeping the Sabbath Holy); God of Loving Wrath (The Moral Influence Theory); What About Ellen White? (The Spirit of Prophecy); Is the Church Going Through? (Laodicea and the Remnant)

*Revelation* Oct 22 2021 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**The Witches** Jul 07 2020 The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story—the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

**Our Elders Speak** Apr 15 2021 *OUR ELDERS SPEAK* with Fred Bisci, PhD, Brian Clement, PhD, ND, Rabbi Gabriel Cousens, MD and Viktoras Kulvinskas. Are you overwhelmed by conflicting advice? In this panel discussion Our Elders will help you discover the real keys to vibrant health, longevity and happiness. **FEEL BETTER FEEL YOUNGER!**

**Presbyterian Polity for Church Officers** Jun 05 2020 This is a comprehensive interpretation of the Book of Order. It explains the system of Presbyterian government, from sessions to presbyteries to synods to the General Assembly itself.

**Starters** Aug 08 2020 An international bestseller published in over thirty countries, this riveting sci-fi dystopic thriller is "a bona fide page-turner." --MTV.com Callie lost her parents when the Spore Wars wiped out everyone between the ages of twenty and sixty. She and her little brother, Tyler, go on the run, living as squatters with their friend Michael and fighting off renegades who would kill them for a cookie. Callie's only hope is Prime Destinations, a disturbing place in Beverly Hills run by a mysterious figure known as the Old Man. He hires teens to rent their bodies to Enders—seniors who want to be young again. Callie, desperate for the money that will keep her, Tyler, and Michael alive, agrees to be a donor. But the neurochip they place in Callie's head malfunctions and she wakes up in the life of her renter. Callie soon discovers that her renter intends to do more than party—and that Prime Destinations' plans are more evil than she could ever have imagined. . . . Includes Portrait of a Spore, a never-before-published short story that takes place in the world of *STARTERS*. Praise for *STARTERS*: "A smart, swift, inventive, altogether gripping story." —#1 New York Times bestselling author DEAN KOONTZ "Compelling, pulse-pounding, exciting . . . Don't miss it!" —New York Times bestselling author Melissa Marr "Readers who have been waiting for a worthy successor to Suzanne Collins's *The Hunger Games* will find it here. Dystopian sci-fi at its best." —Los Angeles Times "Intriguing, thought-provoking and addictive." —BookReporter.com "Readers will stay hooked. . . . Constantly rising stakes keep this debut intense." —Kirkus Reviews "Fast-paced dystopian fiction. . . . The inevitable sequel can't appear soon enough." —Booklist "Intriguing, fast-paced . . . Fans of dystopian novels will be completely engaged and clamoring for the sequel." —School Library Journal "Addictive and alluring." —Examiner.com "Chilling and riveting." —Shelf-Awareness.com "A must-read for fans of *The Hunger Games* and *Legend*. Fast-

paced, romantic, and thought-provoking.” —Justine

Yocat English Dec 12 2020 Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

Occupational Therapy with Elders - eBook Dec 04 2022 Get the focused foundation you need to successfully work with older adults. *Occupational Therapy with Elders: Strategies for the COTA*, 4th Edition is the only comprehensive book on geriatric occupational therapy designed specifically for the certified occupational therapy assistant. It provides in-depth coverage of each aspect of geriatric practice — from wellness and prevention to death and dying. Expert authors Helene Lohman, Sue Byers-Connon, and René Padilla offer an unmatched discussion of diverse populations and the latest on geriatric policies and procedures in this fast-growing area of practice. You will come away with a strong foundation in aging trends and strategies for elder care in addition to having a deep understanding of emerging areas such as low-vision rehabilitation, driving and mobility issues, Alzheimer’s disease and other forms of dementia, new technological advancements, health literacy, public policy, dignity therapy, and more. Plus, you will benefit from 20 additional evidence briefs and numerous case studies to help apply all the information you learn to real-life practice. It’s the focused, evidence-based, and client-centered approach that every occupational therapy assistant needs to effectively care for today’s elder patients. **UNIQUE!** Focus on the occupational therapy assistant highlights the importance of COTAs to the care of elder clients. **Unique!** Attention to diverse populations and cultures demonstrates how to respect and care for clients of different backgrounds. **UNIQUE!** Discussion of elder abuse, battered women, and literacy includes information on how the OTA can address these issues that are often overlooked. User resources on Evolve feature learning activities to help you review what you have learned and assess your comprehension. Case studies at the end of certain chapters illustrate principles and help you understand content as it relates to real-life situations. Multidisciplinary approach demonstrates the importance of collaboration between the OT and OTA by highlighting the OTA’s role in caring for the elderly and how they work in conjunction with occupational therapists. Key terms, chapter objectives, and review questions are found in each chapter to help identify what information is most important. **NEW!** 20 Additional evidence briefs have been added to reinforce this book’s evidence-based client-centered approach. **NEW!** Incorporation of EMR prevalence and telehealth as a diagnostic and monitoring tool have been added throughout this new edition. **NEW!** Expanded content on mild cognitive impairment, health literacy, and chronic conditions have been incorporated throughout the book to reflect topical issues commonly faced by OTs and OTAs today. **NEW!** Coverage of technological advancements has been incorporated in the chapter on sensory impairments. **NEW!** Other updated content spans public policy, HIPAA, power of attorney, advanced directives, alternative treatment settings, dignity therapy, and validation of the end of life. **NEW!** Merged chapters on vision and hearing impairments create one sensory chapter that offers a thorough background in both areas.

Judicial Reputation Apr 03 2020 In "Judicial Reputation: A Comparative Theory," Tom Ginsburg and Nuno Garoupa mean to explain how judges respond to the reputational incentives provided by the different audiences they interact with--lawyers and law professors; politicians; the media; and the public itself--as well as how legal systems design their judicial institutions to calibrate the locally appropriate balance among audiences. Making use by turns of careful empirical work and penetrating conceptual insights, Ginsburg and Garoupa argue that any given judicial structure is best understood not through the lens of legal culture, origin, or tradition, but through the economics of information and reputation.

*Mere Christianity* Mar 27 2022 In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis’ legendary broadcast talks during World War Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.

**Psychiatric-Mental Health Nursing, Second Edition** Mar 03 2020 " The editors and contributors are to be congratulated for their clear effort to bring some degree of correction to the singular emphasis on pharmacotherapy. While it is clear that pharmacotherapy has a role to play in treatment, it is equally clear that the use of relationships as therapy has an equal if not more important role to play. There are several

other features of this text that commend it to the student and the nurse seeking a review or a refresher course. First, the authors have done an excellent job in noting historical context. Second, [they] have made extensive use of the current research literature." - Grayce M. Sills, PhD, RN, FAAN Thoroughly updated to correlate with DSM 5 diagnostic descriptions and QSEN guidelines, the second edition of this highly acclaimed undergraduate psychiatric nursing text features concrete strategies for establishing interpersonal relationships as the basis not only for working with the psychiatric patient population, but as a timeless foundation for all nursing practice. The text guides students through the essential phases of self-discovery necessary to integrate interpersonal nursing theory into practice. Modules designed to foster growth in therapeutic use of self, including the importance of boundary management, are integrated with psychodynamic and current neurobiological theories to provide sturdy theoretical underpinnings for practice. A wealth of descriptive psychiatric diagnoses, QSEN criteria, and NANDA-based care plans, case scenarios, evidence-based practice, patient and family education tips, drug summary lists, and complementary and alternative therapy approaches populate the text. The main body of the book focuses on common mental illnesses and weaves both the psychodynamic and neurobiological concepts into evidence-based strategies for nursing interventions. Additional features such as examples of therapeutic dialogue and a "Consumer's Perspective" featuring an actual consumer's voice relating personal experience about living with a specific illness, provide further guidance in understanding and adopting a relationship-based approach to nursing. Web links facilitate quick access to additional information and NCLEX-style review questions prepare students for passing the NCLEX exam. New to the Second Edition: Revisions correlate to DSM 5 descriptions, QSEN criteria and NANDA nursing diagnoses Provides new information on psychopharmacology, compassion fatigue and a recovery model, use of informed consent, and cognitive behavioral therapy Presents updates on complementary and alternative interventions Includes expanded content on cultural and lifespan considerations related to mental health care worldwide Key Features: Focuses on interpersonal relationships and boundary navigation as the foundation for practice Promotes psychodynamic and neurobiological perspectives within ISPN curricular guidelines Written by national and international experts in nursing education and psychiatric/mental health practice Includes digital student companion with key chapter concepts and critical thinking questions for practice situations Provides digital faculty resources including power point slides, expanded test bank, case studies, and critical thinking exercises

**For the Strength of Youth** Dec 24 2021 OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

Singing and Dancing to The Book of Mormon Sep 28 2019 Singing and Dancing to The Book of Mormon examines a cultural phenomenon, asking: What made The Book of Mormon such a success? In what ways does the work utilize established artistic traditions (musical theatre, comic tropes), but revise them to create something new? What cultural buttons does the work push in religion and world affairs? What artistic and social boundaries—and the transgression of those boundaries—give the work its edge? What is the effect of the work on particular audiences: in the theatre, in academia, in religious/Mormon studies, and beyond?

Heat Wave Feb 11 2021 "A classic. I can't recommend it enough."--Chris Hayes On Thursday, July 13, 1995, Chicagoans awoke to a blistering day in which the temperature would reach 106 degrees. The heat index, which measures how the temperature actually feels on the body, would hit 126 degrees by the time the day was over. Meteorologists had been warning residents about a two-day heat wave, but these temperatures did not end that soon. When the heat wave broke a week later, city streets had buckled; the records for electrical use were shattered; and power grids had failed, leaving residents without electricity for up to two days. And by July 20, over seven hundred people had perished—more than twice the number that died in the Chicago Fire of 1871, twenty times the number of those struck by Hurricane Andrew in 1992—in the great Chicago heat wave, one of the deadliest in American history. Heat waves in the United

States kill more people during a typical year than all other natural disasters combined. Until now, no one could explain either the overwhelming number or the heartbreaking manner of the deaths resulting from the 1995 Chicago heat wave. Meteorologists and medical scientists have been unable to account for the scale of the trauma, and political officials have puzzled over the sources of the city's vulnerability. In *Heat Wave*, Eric Klinenberg takes us inside the anatomy of the metropolis to conduct what he calls a "social autopsy," examining the social, political, and institutional organs of the city that made this urban disaster so much worse than it ought to have been. Starting with the question of why so many people died at home alone, Klinenberg investigates why some neighborhoods experienced greater mortality than others, how the city government responded to the crisis, and how journalists, scientists, and public officials reported on and explained these events. Through a combination of years of fieldwork, extensive interviews, and archival research, Klinenberg uncovers how a number of surprising and unsettling forms of social breakdown—including the literal and social isolation of seniors, the institutional abandonment of poor neighborhoods, and the retrenchment of public assistance programs—contributed to the high fatality rates. The human catastrophe, he argues, cannot simply be blamed on the failures of any particular individuals or organizations. For when hundreds of people die behind locked doors and sealed windows, out of contact with friends, family, community groups, and public agencies, everyone is implicated in their demise. As Klinenberg demonstrates in this incisive and gripping account of the contemporary urban condition, the widening cracks in the social foundations of American cities that the 1995 Chicago heat wave made visible have by no means subsided as the temperatures returned to normal. The forces that affected Chicago so disastrously remain in play in America's cities, and we ignore them at our peril. For the Second Edition Klinenberg has added a new Preface showing how climate change has made extreme weather events in urban centers a major challenge for cities and nations across our planet, one that will require commitment to climate-proofing changes to infrastructure rather than just relief responses.

**The Book of Church Order** Apr 27 2022

**The New Pastor's Handbook** Aug 20 2021 Most seminary graduates will begin their ministries with plenty of important head knowledge to share--but with a deficit of some of the most practical aspects of doing ministry, such as - which ministry role most suits them - how to start out strong at a new church - persevering during difficult seasons of ministry - leading meetings and delegating tasks - safeguarding their family - fighting discouragement, pastor envy, and a lack of contentment - navigating special ministry needs, such as hospitals, weddings, and funerals - and much more Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.

The Sunday Service of the Methodists; with Other Occasional Services Feb 23 2022

Seventh-day Adventist Church Manual. Jan 05 2023

*Concerning the True Care of Souls* Aug 27 2019

Geriatrics Models of Care Jan 01 2020 This book describes geriatrics practice models that are used to guide the care of older adults, allowing seniors to remain at home, prevent functional disability and preserve quality of life. The models include specific interventions which are performed by health care workers to address the needs of older persons and their caregivers. These models respect patient values, consider patient safety and appreciate psychosocial needs as well. Divided into six parts that discuss hospital-based models of care, transitions from hospital to home, outpatient-based models of care and emergency department models of care, this text addresses the needs of vulnerable patients and the community. Geriatric Models of Care is an excellent resource for health care leaders who must translate these programs to address the needs of the patients in their communities.

**Social Work with the Aged and Their Families** Nov 30 2019 Social Work with the Aged and Their Families presents the functional-age model (FAM) of intergenerational treatment, an integrative theoretical framework for social workers practicing with older adults and their families. In keeping with the Council on Social Work Education's curriculum mandate of 2015, social workers are now encouraged to use human behaviour theories in working with their geriatric clients. This fourth edition incorporates much-needed additional techniques to address the mental health assessments of the elderly. FAM addresses the assessment of older adults' biological, psychological, socio-cultural, and spiritual age. It also incorporates an evaluation of the family system, family roles, and family development in this assessment.

Interventions at the individual, family, group, and community levels are discussed. This volume, augmented with recent concepts related to successful aging, spirituality, and resiliency, presents the major converging conceptual trends that constitute a model for twenty-first century social work practice in the field of aging. It is an indispensable text for those training in social work practice with the elderly, or those currently in practice.

Church Elders Jul 31 2022 Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand "job description" for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

**Emerging Elders** Jun 29 2022 This book is a manual for raising up and equipping elders or shepherds. It provides resources for identifying emerging leaders, for training elders and their wives, and for beginning an elder development program in a congregation. A vital resource for a neglected area of church life.

Acute Care for Elders May 29 2022 Acute Care for Elders (ACE) is a model of care designed to improve functional outcomes and to improve the processes for the care of older patients. This model includes: an environment of care designed to promote improved function for older patients; an interdisciplinary team that works together to identify/address the vulnerabilities of the older patients; nursing care plans for prevention of disability; early planning to help prepare the patient to return home and a review of medical care to prevent iatrogenic illness. Acute Care for Elders: A Model for Interdisciplinary Care is an essential new resource aimed at assisting providers in developing and sustaining an ACE program. The interdisciplinary approach provides an introduction to the key vulnerabilities of older adults and defines the lessons learned from the Acute Care for Elders model. Expertly written chapters describe critical aspects of ACE: the interdisciplinary approach and the focus on function. The fundamental principles of ACE described in this book will further assist hospital leaders to develop, implement, sustain and disseminate the Acute Care for Elders model of care. Acute Care for Elders: A Model for Interdisciplinary Care is of great value to geriatricians, hospitalists, advance practice nurses, social workers and all others who provide high quality care to older patients.
